A. Emery Howarth	1969 Appointment

LETTER OF TRANSMITTAL

The Moving Finger writes; and having writ,
 Moves on: Nor all thy Piety nor wit
 Shall lure it back to cancel half a line
 Nor all thy tears wash out a word of it.

The quatrain of the twelfth century philosopher-mathematician holds true today as well as his recommendation to be too intimate with none. This is particularly applicable to Town Managers living in a different age, time and space.

Now for those not interested in philosophy let us gather together and question one another and say "whither goest thou?"

The future of the Town is good fiscally speaking, the surplus was reduced by \$1894. This was a paper surplus carried as an asset as collectable taxes. The long term debt was reduced by \$7610 and will cancel out in 1971, the advanced indebtedness of State Aid Road Construction will cancel out in 1969 and show in the positive column. The total over-run on paper was \$5893 or 1.9% of the entire \$308,371 raised for all purposes or 2.4% in excess of Town predicated costs excluding schools. You may well point to this or that over-run if you will, but remember if one lives on a lush budget he need never over-run an account, on the other hand with a tight budget with all its imponderables and variables an over-run of this magnitude is not a poor estimate. Most business firms would be very happy to hold their budget within the limits of 2.4% of estimate. Never forget running this town's business requires nearly one third of a million dollars and your Manager ultimately bears the responsibility and oftentimes is the sacrificial goat.

In the eighteen years since 1950 you have had the names of eight Managers in the Town Report for an average tenure of 2¼ years. You probably had other interim Managers in addition to this but in no case does a Manager's name appear on more than three reports. In most part, these managers went to significantly larger communities. Wherein did the fault lie? Did you harrass them, refuse adequate compensation, place impossible demands on them, refuse to back them up? If this is true and it is typical with many towns, perhaps the fault was not theirs but yours. If among you there still remains doubt that plus \$300,000 can be collected and disbursed adequately with part time help you had better get with it. You can call him Mayor, First Selectman, Administrator, Manager, etc., but you cannot run a business of this scope today on a part time basis; or if you do it is at your peril and will cost you dearly in the end.

Your present manager offers no apologies and no excuses. In passing it

might be well to call to your attention that in the past two years if the tax rate had been \$28.00 per thousand -- a not unreasonable tax, a sum could have been created by overlay and other devices to meet your \$57,000 extra school monies needed this year. Needless to say this would not have been acceptable and why should it since it was not needed then. The correct approach was used.

It was your Manager's recommendation to retire the 1959 Ford truck with the 1948 Ross plow in 1969 and replace same. This equipment should certainly be traded in 1970 together with the 1965 Case tractor; the 1964 GMC truck (cab and chassis only) in 1971-1972. The Manager considers these suggestions as really conservative and would feel delinquent in your protection for snow removal if they were not presented.

Now some silver tongue who might well speaketh with a forked tongue may try to convince you that contractual agreements are the answer. Well, it is not, since no bond or default of such, will ever move the snow fast enough in the town to make up for work you may lose. Such contracts have to be written tight, continually monitored, and are difficult in enforcement; and while the courts decide you may slide. This is without doubt the poorest insurance at the highest rate one can buy. One can also be assured, as in everything, that the cost escalates yearly. Now it does work well in parking lots and where people are conditioned to accept poor quality. If, however, you believe you can keep your equipment until it becomes pieces of junk you may rest assured you will get exactly what you caused.

Since the Town obviously does not intend to spend money on non-essentials this year, perhaps they might consider or permit the manager in the future to write a Town Report as a significant document instead of the present unwieldy method of transmitting information. The move is not unprecedented, and was once done here and is being done elsewhere. At the cost of over \$7.00 per page it might even tell you more, or at least it could.

Along the line of further recommendations the Manager feels that the Town should aim towards the building, or acquisition of a municipal building with central communications for all police, fire, highway, and civil defense departments. The collectivization of quasi-town districts such as sewer and water is a desirable aim and has been accomplished nearly 100 percent by the Sewer District. Zoning, a harsh word, to the tongue is not a harsh word to the potential builder or developer and can protect your own investments. Adopt it soon.

The Public Library should be more accessible as to time and should be adequately funded.

Your Town should study, evaluate and accept, if possible, the recommendations of the Planning study to the utmost within your fiscal and physical limits.

If this letter of transmittal does, in truth, arouse you enough to actually work towards a more progressive town in which the Old New England charm still remains, your Manager will always feel that his tenure caused this town to be a little bit better place to live in.

If on the other hand you persist in the old tenets as governmental organization as Jefferson Davis, the first president of the confederate states advocated, 'that the least government is the best government', this letter is certainly dated 10 years too early and in two decades you may be a poor enclave of Boston.

The Manager's message is not designed to create dissention, castigate the people, past or present Boards of Selectmen, or anything other than what it says. As a matter of fact, the Manager feels a deep sympathy for Boards of Selectmen who serve from duty and personal satisfaction. This must be their reward, since they gain no plaudits, usually lose friends and all by doing what they feel is the right thing. It takes courage and conviction to be a good selectman and not waver with every passing wind.

Might the Manager again reiterate —

"Whither goest thou"

Respectfully
Arthur L. Bailey

GENERAL GOVERNMENT

These accounts are devised to provide services necessary to collect taxes, record deeds, and provide funds which are needed but do not readily fit into other categories. The expenditures and incomes indicate the purposes for which this heading is designed.

REPORT OF TOWN CLERK

To the Selectmen and Townspeople of South Berwick:

During my fifth term as Town Clerk there were —

45 Births — 8 born in Maine
37 out of state

37 Deaths — 24 in Maine
13 out of state

53 Marriages

The number of dogs licensed during 1967 was —

164 Male
23 Female
131 Spayed Female
8 Kennels (10 dogs or under)

Respectfully submitted,

Dorothy J. Hilton

PROTECTION

POLICE DEPARTMENT

To the Citizens of South Berwick:

Upon assuming the position as Chief of Police of your Town on June 20, 1968, I found myself facing many problems. One of the main difficulties was in you getting acquainted with me, and vice-versa. I feel that this "barrier" is somewhat abated, with only a few still thinking that the Town does not need a full-time Chief. However, between report writing, Court appearances, patrolling, complete investigation of complaints, etc., I find that some days are just not long enough. The Nash McKay assault case is an excellent example of the latter.

Your Police Department now has direct radio contact with the York County Sheriff's Department, thanks to the extremely generous donation of several FM radios, given by Miss Brenda Kuhn of Cape Neddick, a personal friend and an advocate of better law enforcement. Because of Miss Kuhn's generosity, the cruiser has a transmitter/receiver with the Y.C.S.D. and a State Police receiver; Asst. Chief Anderson has a transmitter/receiver with the Y.C.S.D.; and the Police Station has a (remodeled) transmitter/receiver, linking us directly with the County Seat, and all S.D. mobile units in the immediate area.

I assure you that this Department will make every endeavor to make South Berwick a better — & safer — community in which to live, work and relax.

However — please — remember that without your support — in reporting events, providing information, and your assistance in helping keep South Berwick a peaceful place, your Police are only as good as YOU make it.

May I express my sincere gratitude to the many factions of Town Government, the Sheriff and his many deputies, and all others who assisted this Department during the past year.

1969 looks to be an even busier year for your Police Department, as is indicated by the budget, many things are needed to increase and maintain the efficiency of the Department.

The South Berwick Police Department is looking forward to better serving the citizens in the coming year.

Respectfully Submitted,
James H. Morgan, Jr.
Chief of Police

Respectfully submitted,
 James H. Morgan, Jr.
 Chief of Police, South Berwick

REPORT OF THE FIRE DEPARTMENT

I hereby submit my report of the South Berwick Fire Department.

Your Fire Department answered —

50 Alarms
 8 Still Alarms
 13 Out of Town Alarms
 2 Emergencies

The firemen completed a training school this year. These courses, taught by trained instructors, enables the new men as well as the veteran fighters to learn the newest methods of fire fighting and acting as a refresher course in many things that they have already learned.

The men on the department have the experience and knowledge to fight various types of fires and to assist in any emergency.

We wish to thank the Ladies Auxiliary for their splendid support throughout the year.

The members of the South Berwick Fire Department wish to express our sincere thanks and appreciation for a splendid job, well done, by our former chief Richard A. Demers, who retired because of ill health.

As Chief I wish to thank the Officers and men who are now serving under me, for their support.

Respectfully submitted,
Arthur E. Renaud
Acting Fire Chief

HEALTH AND WELFARE

REPORT OF THE PUBLIC HEALTH NURSE

South Berwick — 1968

Our life span has increased, causing a change in emphasis on the age group requiring service. As we are still interested in the health of the entire community, we must evaluate the program to give maximum service in the limited time available.

Over two-thirds of the home visits in South Berwick this year have been nursing care visits. The majority of these have been to the older age group. This means that only one-third of the total time in your community was spent in promotion of child health. This third was divided into health supervision of the physically or emotionally handicapped child. Both school and pre-school children are included, for although I am not directly involved in the school health program, those needing home visits are referred to me.

At the request of Sister Marie Cabrini hearing tests with the Pure-tone audiometer were given at St. Michael's School for all 2nd grade pupils and others referred by the teachers. Parents and teachers were notified of any hearing loss.

Child Health Conferences have been considered for the pre-school age group. Response to a survey by the South Berwick Health Council would seem to indicate that the need for a clinic is not as great as anticipated. One solution may be for parents wishing this service for their children to attend the Conferences already established in Eliot and North Berwick. This possibility will be explored further in the coming year.

Respectfully submitted,
(Mrs.) Marea L. Clement, R.N.
Division of Public Health Nursing

REPORT OF THE HEALTH OFFICER

The Health Officer was informed of one case of Mononucleosis and one case of Infectious Hepatitis during 1968 by local physicians.

During the course of the year he has been instrumental in arranging for mental commitment in two cases, for arranging for nursing home and/or retirement home care in two cases.

In conjunction with other departments, one case of sub-standard housing was alleviated to some degree.

In serving in the dual capacity of Agent for the Overseers of the Poor, and Health Officer, he has been instrumental in providing heat, light, plowing, food and clothing for many.

The duties of this office also represented working in conjunction with the various welfare agencies of the state and federal government and securing financial aid for the sick and indigent.

Respectfully submitted,
A. L. Bailey

PLANNING BOARD

This year saw the first steps of the Planning Board toward its responsibility, by statute, to produce a long-range comprehensive plan for town development.

Steps completed toward the comprehensive plan included:

Appropriation of \$2,500 by the Town Meeting as the Town's share of a \$10,000 professional planning consultant fee.

Selected a planning consultant, William Dickson, A.I.P.

Submitted a "reconnaissance report," a required background study of town development to date, with problem areas identified.

Submitted application for a \$7,500 federal-state planning grant.

Reconnaissance report and planning grant application approved by the York County Regional Planning Commission and State Planning Office; and forwarded to the U.S. Department of Housing and Urban Development.

Other activities included:

Sponsored a plan and held meetings to encourage upgrading the Central Square business area. Sketches and recommendations were funded jointly by the South Berwick Board of Trade and the University of Maine. No Town funds were used. The presentation meeting and supper were sponsored by the Old Berwick Historical Society.

Served as representatives on the York County Regional Planning Commission, planning for county-wide development. The Commission co-ordinates member towns' planning, obtains needed planning data on a co-operative basis, and is the basis for approval for all town applications for federal improvement grants for water, sewers and planning etc. Membership benefits included:

Completion of a county-wide manpower skills survey, needed for industrial, residential and commercial planning.

Completion of a soils survey of the Route 236 area, needed for industrial and commercial planning.

A pilot water testing project (in progress) obtaining information on rivers, streams and ponds for recreational and sanitation planning. Data is being obtained jointly by town volunteers and Nason College, with no public funds used.

Inter-town meetings on mutual planning problems.

The Town's request for a planning grant is being processed by the U.S. Department of Housing and Urban Development (HUD). A delay in approval is due to a normal backlog plus a new Federal administration.

The York County Regional Planning Commission Executive Director is acting as our agent in efforts to expedite the Town's application.

Respectfully submitted,
David B. Ofner, Chairman

**SOUTH BERWICK WATER DISTRICT
ANNUAL REPORT**

In compliance with the rulings of the Public Utilities Commission of Maine, the Trustees of the South Berwick Water District submit the following report for the year ending December 31, 1968.

This year with another part of the town roads being worked on, created some inconveniences to the water users, due to the moving of several fire hydrants, and the breakage of water lines. We, the Trustees of the Water District, express our sincere thanks to all the water users for their endurance during this trying period.

The water supply in the reservoir this past year has kept a very good level, even during the summer months.

The Trustees of the South Berwick Water District hold a monthly meeting on Berwick Road (Rt.236) across from the end of Tibbetts St., on the second Monday at 7:00 P.M. The water users having any complaints may feel free to come before the Trustees at that time.

John B. Lanouette,
Clerk

SOUTH BERWICK WATER DISTRICT

FINANCIAL STATEMENTS —Year Ended December 31, 1968

February 24, 1969

Mr. William Bray, Chairman
Board of Trustees
South Berwick Water District
South Berwick, Maine

Dear Sir:

From the Districts books and records, we have prepared the following statements, supporting the financial activity of the District for the calendar year ended December 31, 1968.

Comparative Balance Sheets

Statement of Income and Expense

Investment in Operating Property

This examination was made in accordance with generally accepted auditing standards as applied to utility accounting, and on a basis consistent with that of the preceding year.

In our opinion, the accompanying balance sheet, and statement of income and expense, present fairly the financial position of the South Berwick Water District for the calendar year ended December 31, 1968.

Respectfully submitted,

L. Everett Outhouse, Auditor

leo/j

REPORT OF THE SOUTH BERWICK SEWER DISTRICT

February 24, 1969

To the Residents of the South Berwick Sewer District
Greetings:

The year now under review has been one of major accomplishment. The District is proud to announce that it has completed Phase II of the construction project and that sewage collection lines are now fully in place and in operation.

Phase II of the construction had to be completed from funds already in hand from original operations. The low sewage service rate of \$44.00 a year made the District ineligible for further grants-in-aid since these are made primarily to assist in lowering rates charged for service.

Faced with the necessity of completing the laying of collection lines with limited funds, the District was fortunate in obtaining the services of Mick Construction Company to do the work which was done with despatch. Our engineers, Camp, Dresser & McKee of Boston had engineering oversight of the operation.

Now that construction is completed, the task of maintaining an effective operation of the facility lies ahead. Inherent in this operation is the desire of the Trustees to keep the \$44. annual basic sewer service fee. In a period of steadily rising costs, this can come about only by full cooperation of the District subscribers. Here, the problem of unpaid fees is an item of concern.

Pursuant to the provisions of our charter, Trustees are authorized to place property liens for the recovery of unpaid bills and this provision has been and will be — employed to the full. However, it is a process that consumes time and during this time our bills have to be met promptly. In short, the greatest threat to the continuance of the low service rate are the unpaid service fees now on our books.

In order that District residents may be fully aware of the delinquent items now due, the Treasurer has appended a list of such items to his report.

On 31 December, 1968, Capt. Harold Goodwin who had been chairman of the Board since its organization resigned. Albert Roberge was elected Chairman effective 1 January, 1969.

Albert Roberge, Chairman
P. R. Henderson, Treasurer
Craig A. Holmes, Construction
Richard Gagnon, Rates
Donald Batchelder, Clerk

SOUTH BERWICK SEWER DISTRICT

South Berwick, Maine

TREASURER'S REPORT

As my report of the financial status of the South Berwick Sewer District for the period ended December 31, 1968, I submit the statement of our auditors Maxfield and Riel, Certified Public Accountants, Rochester, New Hampshire.

Also in accordance with Section 24 of our Charter, seventeen liens have been placed on property of delinquent customers, and we have received \$12,638.86 on our accounts Receivable as of date of this publication.

To the Board of Trustees:

We have examined the balance sheet of the South Berwick Sewer District as of December 31, 1968 and the related statement of income and expenses for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statement of income and expenses present fairly the financial position of the South Berwick Sewer District at December 31, 1968, and the results of its operation for the year ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

STAPLES & BOYCE
CERTIFIED PUBLIC ACCOUNTANTS
465 CONGRESS STREET
PORTLAND, MAINE

To the Board of Selectmen
Town of South Berwick
Maine

We have examined the Statement of Assets and Liabilities of the Town of South Berwick as of December 31, 1968 and the related Statement of Appropriations, Receipts and Expenditures for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances, except that we did not request confirmation of taxes receivable directly with the taxpayers. We did, however, satisfy ourselves by other means as to the accuracy of the taxes receivable figure.

In our opinion, the attached Statement of Assets and Liabilities, Exhibit A, Analysis of Revenue Fund Surplus, Exhibit B, and Appropriations, Receipts and Expenditures, Schedule B-1, present fairly the financial position of the Town of South Berwick at December 31, 1968 and the results of its operations for the year then ended, in conformity with generally accepted principles of municipal accounting applied on a basis consistent with that of the preceding year.

TOWN OF SOUTH BERWICK, MAINE**WARRANT**

State of Maine
York, S.S.

To Burton W. Trafton, Constable of the Town of South Berwick in the County of York and State of Maine.

Greetings:

In the name of the State of Maine, you are required to notify the Inhabitants of said Town of South Berwick qualified to vote in Town affairs to assemble at the Civic Center (Town Hall) in said Town on Saturday, the fifteenth day of March, A.D. 1969 at 6 o'clock in the forenoon, then and there to act on the articles below, to wit:

ARTICLE 1. To choose a Moderator to preside at said meeting.

ARTICLE 2. To choose a Town Clerk for one year, two Selectmen, Assessors and Overseers of the Poor for three years, one member of the Board of Directors S.A.D. #35 for three years, a Fire Chief, and other necessary Town Officers for the ensuing year. Polls will be open from 6 A.M. until 2 P.M. The business session will be at 7:30 P.M. at the South Berwick Civic Center.

ARTICLE 3. To see if the Town will vote to authorize the Board of Selectmen to appoint a Committee of three to draft a Zoning Ordinance for the Town of South Berwick and present same at the next Annual Town Meeting.

Budget Committee recommends adoption.

ARTICLE 4. To see if the Town will vote to authorize the Board of Selectmen and the Town Manager to procure a temporary loan or loans in anticipation of taxes for the purpose of paying the obligations of the Town; such loan or loans to be paid during the current municipal year out of money raised during said current municipal year by taxes.

Budget Committee recommends adoption.

ARTICLE 5. To see if the Town will vote to authorize the Town Manager and Board of Selectmen to borrow after January 1, 1970 until the date following Town Meeting an amount not to exceed \$100,000.00, the same to be used to cover the expenses incurred in the operation of the Town from January 1, 1970 until the date of the following regular Town Meeting, said loan to be paid out of the appropriations for the then current municipal year by taxation, and to issue the note or notes of the Town therefore, signed by the Selectmen and the Town Manager, upon such rate of interest and otherwise upon such terms consistent with the foregoing as the Selectmen may determine to be most advantageous to the Town.

Budget Committee recommends adoption.

ARTICLE 6. To see if the Town will vote to authorize the the Town Manager and Board of Selectmen, in behalf of the Town, to sell and dispose of any Real Estate acquired by the Town for non-payment of taxes, thereon, such terms as they deem advisable and execute quit-claim deeds on such property, with the understanding that any property deeded before the tax commitment date will be taxed this year to the grantee.

Budget Committee recommends adoption.

ARTICLE 7. To see if the Town will vote to authorize the Town Manager and Board of Selectmen to sell, discharge, and assign tax mortgage liens for not less than the amount unpaid and interest and costs thereon.

Budget Committee recommends adoption.

ARTICLE 48. To see if the Town will vote to accept the following Dog Ordinance to wit:

A. License required: No dog shall be permitted to be or remain in the town without being licensed as hereinafter provided.

B. License fees: All dogs kept in the town shall be registered as to sex, breed, name and address of the owner and name of dog. At the time of such registration such owner shall obtain a license and tag for such dog and shall pay the statutory fee for each dog. It shall be the duty of said owner to cause such license tag to be securely attached around the dogs neck and kept there at all times during the license period.

C. Dangerous dogs: No vicious, dangerous, ferocious dog or dogs sick with or liable to communicate rabies or other contagious or infectious disease shall be permitted to run at large in the town.

D. Disturbing peace: No person owning any dog shall allow or permit such dog to disturb the peace and quiet of the neighborhood by continuous barking, howling, making other loud or unusual noises, or by running through or across cultivated gardens or fields.

E. Nuisances: Any dog found in the town either without a license or running at large under conditions set forth above is hereby declared to be a nuisance and shall be impounded as hereinafter provided.

F. Duties of Officers: The Dog Constable and/or Police Department is hereby charged with the duty of impounding all dogs running at large in violation of the provisions of this article at which time the Town Clerk shall be notified. The Constable and Officers are hereby authorized to make all necessary arrests in carrying out the provisions of this article, and shall receive fees in accordance with State Statutes.

G. Dogs impounded: How redeemed – The owner or owners of any dogs impounded hereunder may redeem the same by paying all costs, charges and penalties assessed, if any, that have accrued up to the time of making the redemption, and when the

same are paid the dog shall be released to the owner thereof.

H. Licensed dog impounded: It shall be the duty of the officers to cause notice to be served upon the registered owner of any licensed dog impounded under provisions of this article, such notice to be given when said dog is so impounded.

I. Dog bites: Whenever any dog bites a person, the owner upon notification of the offense of said dog shall immediately notify the Dog Constable who shall order the dog held on the owner's premises or shall have it impounded for a period of two weeks. The dog shall be examined immediately after it has bitten anyone and again at the end of the two week period. If at the end of two weeks a veterinarian is convinced that the dog is free from rabies the dog shall be released from quarantine or from the pound as the case may be. If the dog dies in the meanwhile its head shall be sent to the State Department of Health for examination for rabies.

J. Penalty: Any person violating any provision of this article shall be fined not exceeding twenty-five dollars (\$25.00) for each offense or other penalty at the discretion of the District Court.

ARTICLE 49. To see if the Town will vote to raise and appropriate a sum of money for Telephone and Alarm Services for the Fire Department and Civil Defense.

Budget Committee recommends \$3600.00

ARTICLE 50. To see if the Town will vote to raise and appropriate a sum of money for a 3500 lumen street light near the corner of Route 236 and Fife's Lane. (By Public Petition, yearly cost of \$48.00). (Amount for 1969 \$36.00)

ARTICLE 51. To transact any other business that might legally come before the Town.

Given under our hand in the Town of South Berwick this 26th of February in the year of our Lord one thousand nine hundred and sixty-nine.
